**Adrianna Dubajska** 15 years old

I am a student of Public Gimnazjum no. 2 in Mława. I love sport, fast cars, books, music, movies, opera and theatre. I like meeting new friends and that is why I liked our project very much. During 12 days of exchange we spent all time together. Maybe at the beginning we had some problems with communication but in the end we could understand each other without words. I trust we will all together in next project.

**Dawid Bukowski** 16 years old

Till June I was a student of Public Gimnazjum no. 2 in Miawa. From September I will learn in High School. I have decided to take part in this project because I am very interested in history and the activities of the project were focused on history we do not learn at school - history of customs, traditions, culture, art. Now I have new friends - for the first time friends from different countries. Meeting people who grow in different culture always encodes us: I gathered new experiences, new knowlegde, new skills.

**Wiktor Walenc** 15 years old

I am a student of Public Gimnazjum no. 2 in Miawa. Till now art was not my main activity. I used to spend my spare time playing basketball, watching web sites. During our exchange I could find out absolutely new talent - I can paint and a lot of people told me that my pictures are very nice. It was the greatest value of this project - I think that a lot of us found out something new about ourselves.
